

WHAT IS WORTH?

- Mission: WORTH, a membership group presented by the Community Foundation of North Texas, is comprised of emerging philanthropists who improve Tarrant County by learning about area nonprofits and community needs through collaborative grantmaking.
- Members make an annual donation (\$250 for an individual or \$500 for a couple) to the WORTH Endowment Fund. By joining donations, the group's members achieve greater charitable impact.
- The goal of WORTH is to award \$100,000 in grants the first three years of the program through matching funds donated by corporate and private sponsors.
- Membership donations are placed in an endowment fund at the Community Foundation and will provide funding for causes WORTH members deem suitable indefinitely.

WHAT DOES WORTH DO?

- The group increases the impact of individual donors by awarding grants through a collaborative process.
- Each year, it seeks input from its Grant Committee to identify areas in which the group would like to focus its annual grantmaking efforts.
- WORTH gathers members and their families to not only do good, but have fun as well.
- By familiarizing a younger generation with the philanthropic process, WORTH seeks to attract, educate, and nurture effective and on-going philanthropic leadership.

WHO GOVERNS WORTH?

- WORTH is made up of members who advise a permanent endowed fund at the Community Foundation of North Texas.
