IMPACTFUL GIVING

The North Texas Community Foundation serves local individuals, families and corporations by helping them achieve their charitable goals in a meaningful way, during and beyond their lifetimes. The Community Foundation is privileged to work in collaboration with our fundholders, their trusted professional advisors, nonprofit partners and civic leaders to make sure North Texas is strong for generations to come. The Community Foundation has \$322 million in assets and made grants totaling \$24 million in 2018.

PHILANTHROPY FOR A NEW GENERATION

Philanthropy must continue across generations. That's why we created WORTH. WORTH gives emerging change-makers (ages 22-40) the opportunity learn about critical needs facing our community and decide how to meet those needs through a collaborate grantmaking process. Since 2016, WORTH has granted \$92,000 to nonprofits in Tarrant County.

We encourage your organization to help us support philanthropy for the next generation by sponsoring your employee or a group of employees to experience WORTH.
