Supporting Funds

The Anita Berry Martin Memorial Fund

A native of Grand Prairie, Texas, Mrs. Martin attained professional success in the male-dominated sphere of computer systems engineering in the 1960s and 1970s. Her personal interest in genetics fueled Mrs. Martin's second career in Arabian horse breeding. Her enterprise in Parker County, Greystone Arabians, became one of the premier Arabian breeding and show horse ranches in the country.

The Helen D. and R.E. (Bob) Wallace Foundation Fund

Bob Wallace was a highly decorated World War II combat veteran. After the war, Mr. Wallace established R.E. Wallace Stamp and Coins in downtown Fort Worth, which he ran with Mrs. Wallace for more than 30 years. Mrs. Wallace was one of downtown's most colorful business people. The Fund was established in honor of Mrs. Wallace's lifelong passion for rescuing injured and strayed animals.
