

## 501(c)(3) nonprofits invited to apply.

Deadline: Friday, October 1 (5:00PM)

Award Notification: Early November 2021

Grants Distributed: November 2021

---

### Land and Wildlife Conservation

Geographic Eligibility: Tarrant, Parker, Johnson, Young, Jack, Denton, Wise, Hood, Somervell, Bosque, and Hill Counties.

Focus: Agencies, as well as land trusts, engaged in land and wildlife conservation efforts.

- Grants will be awarded for the preservation of North Texas area ranchland and open-space land utilized for agricultural purposes, wildlife, or botanical resources. In addition, programs providing education regarding the importance of protection of the land and natural resources are eligible.
  - Grants for educational programming will be awarded up to \$7,500 per organization.
  - Grants for land conservation projects will be awarded up to \$25,000 per organization.
- 

### How to Apply

Organizations submit proposals through the Community Foundation's online grants portal [here](#).

New for 2021: Applicants are asked to provide a 2-minute or less video about their project. More details are in the grants portal.

---

### The Anita Berry Martin Memorial Fund

A native of Grand Prairie, Texas, Mrs. Martin attained professional success in the male-dominated sphere of computer systems engineering in the 1960s and 1970s. Her personal interest in genetics fueled Mrs. Martin's second career in Arabian horse breeding. Her enterprise in Parker County, Greystone Arabians, became one of the premier Arabian breeding and show horse ranches in the country.
