

Employee Sponsorship

North Texas Community Foundation drives meaningful change through charitable investment. NTCF helps donors meet the needs of our community by providing tax-efficient strategies to support the causes they care about most. We encourage your organization to help support philanthropy for the next generation by sponsoring your employee or a group of employees to experience WORTH.

Young Professionals Investing in Our Community

WORTH is a group of young professionals who ignite meaningful change by giving together. With professional guidance, members learn about community needs, engage with peers, and collectively support nonprofit organizations serving our region. Since 2015, members have granted over \$120,000 to nonprofits in Tarrant County.

Membership Benefits

- Gain a **deeper understanding** of critical needs in our region and learn about the nonprofits meeting those needs.
- Participate in a **member-driven grantmaking process** that ensures all funds awarded make a positive impact in the community.
- Build a **diverse network of young professionals** and local leaders committed to the success of North Texas.
- Magnify your giving by **pooling resources** with other members and drawing from **matching funds**.

Membership

Donation of \$300 to the WORTH Endowment Fund to support future grantmaking.
